A4104 CROSSING

I have sent you an email about this 19/01/22.

We will now not hear anything more about this until the summer when this matter will go out to consultation. As I have already said the work cannot be done until the new roundabout is completed. I have asked if this work can be tagged on the end of the new roundabout so that the existing workforce who are present can be utilised. It was thought by WCC that my idea was a good one and they would consider it.
