

## **RIPPLE PARISH COUNCIL MEETING**

Minutes of the Meeting of Ripple Parish Council held on 17<sup>th</sup> October 2022 at Ripple Parish Hall

**Attendees:** M. Peters (Chairman), M. Baum, T. Armitt, M Davis, K Weyman

**Present:** Fourteen members of the public

**17.10.22.1 The Chairman will formally ask if anyone is intending on recording or filming the meeting.**

There were no requests to record or film the meeting.

**17.10.22.2 To receive comments from the public - no decisions will be made on issues raised. Any items requiring decisions will be added to the agenda for the next meeting (NB Councils cannot lawfully decide items of business that are not specified on the agenda (LGA1972 Sch 12, paras 10(2)(b) and Longfield Parish Council v Wright (1918) 88 LJ Ch 119)**

**Residents from Naunton raised two questions.**

1. Concern was expressed about the land in Green Lane Naunton, where work had been taking place levelling the land. This land had been the subject of enforcement previously. There was also concern about Asbestos on the site. Cllr Davis confirmed that she had already been in touch with the Enforcement Officer, and that he had visited the site and spoken to the contractor. He will be checking with the owner re their intentions for the site. The District Councillor confirmed he was aware of the situation and was awaiting updates.
2. Residents were concerned about the speeding traffic in Naunton, which is narrow lanes and tight bends. They queried the speed limits on the roads as from the A38 at 50mph, the turn into Naunton becomes 60mph and then down to 30mph in the village itself. Advice was given on the possibility of forming a Speedwatch Group and the concerns regarding the Speed limits were noted and will be queried with Highways. As much of the traffic seems to be going to Strensham services, RPC will contact them regarding access.

**17.10.22.3 To note apologies for absence**

Apologies received from Cllr D Long and Michelle Hinde Clerk/RFO, minutes to be taken by the Cllr Baum.

## APPENDIX 1

### Clerks Report 17.10.22

**VAT** – The VAT refund for a total of £1846.86 for financial year 2021/22 has been received

**Planning Enforcement** – Emailed planning enforcement regarding a complaint on Green Lane in Naunton. Enforcement advised - *I spoke with the contractor who stated that he was just employed to do maintenance and clearance works including levelling and clearing brambles. This wouldn't constitute development and would not be a breach of planning control, however I will contact the owner to ascertain what their intentions are with the land.*

There is also a concern regarding asbestos which has been reported to environmental health

**Pre Payment Card** – Having trouble setting up a pockitt account as I already have one setup under my name and address for another council. I have contacted Pockitt to see how this can be resolved. Once the prepayment card is sorted I will start the website.

**Bins** – Bins have been ordered 3 Jubilee 240l bins and 5 Topsy Royale Bins

APPENDIX 2

**COUNTY COUNCILLOR MARTIN ALLEN**

**EMAILED REPORT TO RIPPLE PARISH COUNCIL OCT 2022**

UPTON A38/A4104 ROUNDABOUT

Upcoming Works – October

There will be further nighttime road closures on all the approach arms from Monday 3<sup>rd</sup> October 2022 for approximately 12 weekday evenings, as they complete the final surfacing of the improvement.

Work scheduled:

Topsoil & landscaping – Sept/Oct 2022

Installation of road signage – Autumn 2022

All dates are subject to change, due to weather and Covid-19 Management

A4104 AVERAGE SPEED CAMERAS

Can I suggest you write to the PCC asking that he comes to a parish council meeting to talk about speeding and to request that “Average Speed Cameras” are installed on the A4104 to cover the Ryall Road junction and the proposed Pedestrian Island that is going to be installed at Holly Green.

I will be very happy to add my name to your letter.

MONUMENT/ARTWORK ON THE NEW ROUNDABOUT *ASK IN OCT FOR*

*YET ANOTHER UPDATE*

Can you let me know how this is progressing?

A4104 HOLLY GREEN REFUGE ISLAND.

20222322

23/09/22 I held a Teams meeting with Tina (WCC), we are now waiting for the Network Engineering Team to do consent to a "Departure from the standard" which should be 80m visibility each way at a crossing point and we are looking at departure to 60mish.

Timeline for the Crossing:

By end of October the speed assessments will be done, these results will help to determine to departure from the normal standard required. The pedestrian crossing count will be carried out at the same time.

WCC are still looking to carryout the work in March/April 2023, which must be a good sign.

**HARDSTANDING FLOOD GRANT**

Could the Parish Council please give me an update as to what is happening with the funds WCC provided through me that RPC were going to spend on Hardstanding.

**VASS UNIT**

I am very please to see the unit I paid for is now in action on the Ryall Road.

**COMMUNITY ACTION MINIBUS**

Thank you for the £50.00 for the Tewkesbury Community Bus, CB2.

Also the Upton Shuttle CB3 has started on 7<sup>th</sup> of October taking people into Upton, I hope that RPC will promote this.

## **RYALL NORTH (FISH MEADOW) AND BOW FARM MINERAL EXTRACTIONS**

Following a conversation I have had with Steve Aldridge (WCC) the following is now to happen.

Ryall North is expected to come before the Planning Committee on Tuesday 25<sup>th</sup> of October 2022, with a site visit on 24<sup>th</sup>.

**2022323**

WCC will be voting on the last third of the land, the rest was approved for mineral extraction years ago.

WCC will only be voting on the Mineral Extraction and the Land Forming of a Lake.

Any proposal for a Rowing Lake will be a MHDC matter, subject to a planning application being submitted.

BOW FARM is now expected to come before WCC planning committee on an unscheduled meeting, this has been called because of the back log. The meeting is now expected to be on Monday 31<sup>st</sup> of October 2022, with a site visit on the 28<sup>th</sup>.

#### RIPPLE EAST

The consultation period has now ended for this application.

The new site proposed is north of Bow Farm, near Cemex, and immediately next to the east of Ripple. The extraction proposed is for sand and gravel, this is to be transported by barge and the site if passed it is expected to be in use for two years. I expect this to come before WCC Planning Committee early next year.

#### NAUNTON SPEEDING

I am aware to problems of speeding in Naunton, and I think that we need to have a site visit. Therefore I will be in touch with RPC and WCC Highways to arrange a suitable date/time to meet onsite and discuss options and also look at asking WCC to install a VASS Pole.

I would urge all residents to report all speeding problems to the Police. It is only the Police who have the power to enforce speeding. Personally, I would like to see the speed in built up areas dropped to 20mph. This is something I will continue to support and push for.

Regards

Cllr Martin Allen.
